

LSF EXPECT ECHO 2252Z (#1547666)

Echo ranks in the top 1% of breed for marbling with a 1.64 EPD and top 5% GM index, making him a carcass trait leader.

Leland Red Angus ... Focused on Verified Values.

Our program is dedicated to producing cattle that work for our commercial customers to add verified genetic marketing values proven through DNA testing. We select for sound, manageable cattle beyond the numbers, with an emphasis on structure, economics, convenience and adaptability that predicts profit for our customers.

There is a difference!

WFL MERLIN 018A (#1628086)

"Frankly" 018A sires extra depth and thickness with excellent calving ease, growth and fleshing ability. His sons consistently rank high in nearly every trait.

BIEBER ROLLIN DEEP Y118 (#1436844)

Rollin Deep offers exceptional thickness and phenotype and ranks well in growth traits. Several of his sons are standouts for depth and thickness.

VGW EXCELL 223 (#1541886)

Among the breed's top sires with 5% HB and 7% GM rankings, validating his growth, strong calving ease, top stayability and high carcass values. His progeny are popular sale day.

3SCC DOMAIN A163 (#1619642)

This outcross sire adds tons of maternal without sacrificing growth or carcass. He ranks in the top 1% for HB, HPG and Stay, and top 5% Marb with a solid 17% GM ranking.
